In this activity book, you will learn Lao words for different kinds of clothing and accessories -- from traditional Lao skirt (ສິ້ນ /sìṅ/ "Sinh") to hat (ໝັກ /mùak/). Lao clothing comes in many colors - have fun coloring them to your taste!

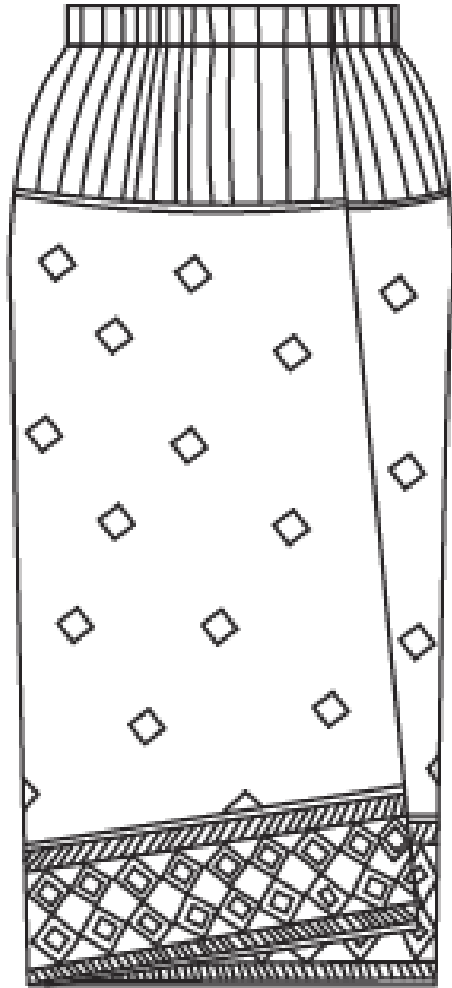

Each clothing word will be written in English followed by Lao script. International Phonetic Alphabet (IPA) is used for consistency in transliteration.

There may be different ways to say certain terms depending on the region in Laos. For example, in standard Vientiane dialect, the word sock is ຖົງຕີນ /tǒng-dtìin/ (literally, 'bag' + 'feet') while in other provinces, it may be ລອງເທົ້າ /lǒng-tâo/.
